Dear Professors Watson, Dunn and Grassi

I am writing to you on behalf of the British Psychosocial Oncology Society (BPOS) Executive Committee. We were extremely pleased to read about the progress being made with the development of the IPOS Statement on Standard of Quality Cancer Care. BPOS is delighted to be able to support this initiative and to offer our full endorsement of the Statement.

Yours sincerely

Dr Nick Hulbert-Williams CPsychol AFBPsS
Chair, British Psychosocial Oncology Society
