**Subject: Endorsement of IPOS International Quality Standard in Cancer Care**

Dear Professor Dunn,

Nepal Cancer Relief Society (NCRS) is a nationwide community based Non -profit making voluntary organization established in 1982 A.D. (2039 B.S) with a major goal of fighting against the spreading of cancer in Nepal. Until now NCRS has expanded its work in 43 districts of the country and has been mobilizing over 10,000 volunteers nationwide. NCRS is playing a leading role in both preventive and curative programs against cancer. The Society has for the past 28 years dedicated itself to service the Nepalese community, pioneering tobacco control activities, cancer screening and cancer care with a dream of saving life of Nepali people. NCRS comprises more than 8,000 life members from different socioeconomic level, throughout the nation.

We are pleased to conform that Nepal Cancer Relief Society endorses the IPOS International Standard clinical guidelines in cancer care.

This Standard will be reflected in the policy and practice of Nepal Cancer Relief Society.

Thank You

Yours Sincerely,

Lokendra Kumar Shrestha 'Ishwor'  
Chairman  
Nepal Cancer Relief Society

MEMBER

International Network for  
Cancer Treatment and Research
